GENERAL INFORMATION

UKKA is hosting the IKYF Seminars in July in Hall 3 at the [Telford International Centre](#), Telford, TF3 4JH, northwest of Birmingham.

Google Maps 

Telford is accessible from Europe through Birmingham and Manchester airports, and from London by rail and road.

Overseas participants to previous seminars at nearby Lilleshall have found sharing the cost of a hire car from the airport a practical option. The Telford International Centre is only five minutes away from Telford station by taxi.

IMPORTANT INFORMATION

All participants need to be insured through their own federation for the event.

ABOUT THE REGION

The counties of [Shropshire](#), where Telford is situated, and bordering Staffordshire boast a [rich historical heritage](#), one of the UK's national forests, country estates, golf courses, [walking paths](#) and botanical [gardens](#). [Staffordshire](#) is the home of traditional English potteries at [Stoke-on-Trent](#). Ludlow, Stokesay Castle and Shugborough Hall are all well worth a visit.

[Manchester](#) and [Liverpool](#) have a rich past and a vibrant cultural life with music and galleries.

Beautiful [North Wales](#) and [Snowdonia](#) to the west, the [Peak District](#) to the northeast, the [Cotswolds](#) to the south, all a couple of hours' drive away, are popular destinations. [Stratford-upon-Avon](#), birthplace of Shakespeare and home to the Royal Shakespeare Company, is less than 100 km away.

Location: See map [here](#).

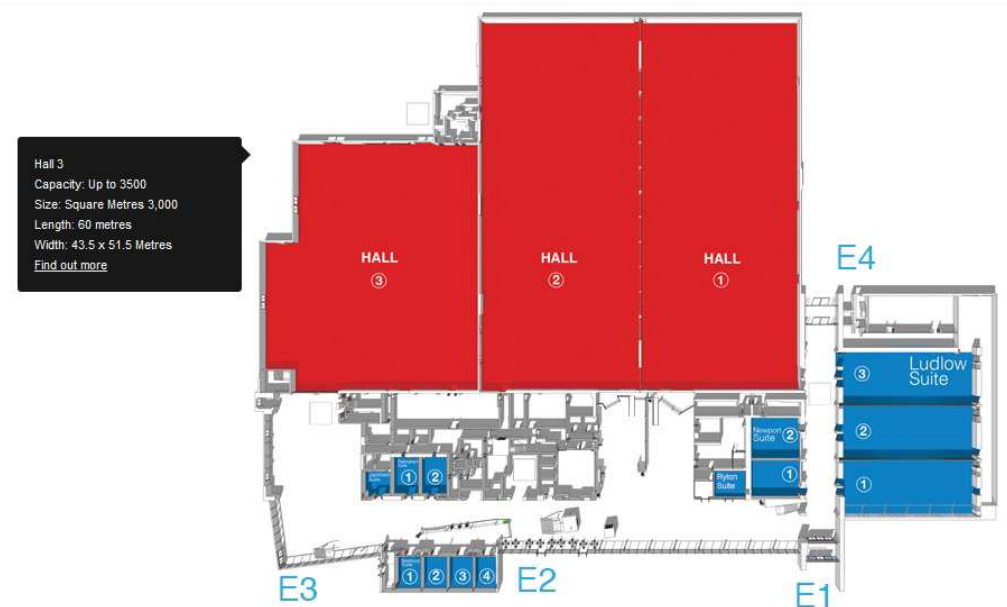

DOJO OVERVIEW

Hall 3 at the International Centre will be converted to a dojo for the seminars and examinations, and include 3 shajo with 5-mato azuchi.

The azuchi and dojo equipment will be sourced from the UK and laminate flooring and carpet areas will be fitted.

As UKKA have never held any kyudo events in this location, we cannot include here photographs of the dojo setup.

The hall will be booked in the evenings for the duration of the event, so that equipment can be left in the dojo overnight.
